New Renault ZOE Accessories

ZE

Express your style

Renault continues to write the history of ZOE with the same vision: to make mobility easier. Even more seductive, with a design that stands out, as always. Take control of your style. Enhance the modernity of its look and interior by choosing features that makes it more exclusive.

Exterior and interior styling

Cultivate your originality

With modern and sharp lines and a more prominent grille, ZOE has rethought its design. It's up to you to add the finishing touches. Your on-board palette: illuminated door sills for a refined impression and a stainless steel boot sill. On the outside, energise your profile with a sporty touch, adding exclusive wheel rims and a shark fin antenna. Essential for a style that suits your personality.

- 1. Illuminated door sill
(82 01 468 749)
- 2. Boot sill
(82 01 725 903)
- 3. Shark antenna
(82 01 731 020)
- 4. 17" front alloy wheel rim
(82 01 724 787)

Protection

Protect and decorate

Avoid small impacts and friction on the bodywork, edges and door sills easily thanks to the Protection Pack's transparent films. Inside, there's refinement and comfort with carpet or rubber Renault mats to protect your floors. Secured by clips, they also ensure the highest level of safety at the pedal unit level. But ZOE also has some special features to support your well-being: its air deflector lets you drive with the windows partly open without feeling any draughts. Choosing options for ZOE means thinking about your peace of mind.

1. Protective films - Full pack
(77 11 940 891)
2. Air deflector
(77 11 940 887)
3. Premium textile floor mats - LHD
(82 01 721 493)
4. Innovation floor mats - LHD
(82 01 731 138)

On-board experience and safety

Daily life designed for you

Revolutionise your daily routine and simplify it with ZOE. Opt for the front armrest and its clever storage compartment: it optimises your driving comfort whilst creating a new storage area. Just as practical, think of the multi-use storage bag to transport – among other things – your charging cable. Technology is also your ally: the Homelink® mirror with a programmable transmitter-receiver allows you to remotely activate your garage door or your gate. The future is already within your ZOE.

1. Cable storage bag - Recycled fabric

(77 11 943 111)

2. Electrochrome rear-view mirror with Homelink®

(77 11 940 457)

3. Front armrest on console - Wealthy Rover fabric

(82 01 730 014)

Charge as you please

Make the most of your electric vehicle by installing a Green'Up domestic socket at your home. Connected by its cable, ZOE charges fully in about 15 hours. Even better, with the connected charging point, this is done in just 7.5 hours. Charging anywhere, of course means having your cables at all times. ZOE has a false floor to store them properly. It can also hold the subwoofer of the BOSE® audio system or other small objects.

1. Charging terminal - Connected 11 kW

(77 11 940 862)

2. False floor for cable storage

(82 01 721 942)

3. Green'Up socket - Type E

(82 01 486 883)

4. Electric charging cable on 9m Wallbox

(77 11 940 886)
